

2021 MHAC Conference Tournament Information

Tournament Overview

- There will be four tournaments. The semi-final and championship games will be played at Madison Church of Christ, 106 Gallatin Pike N, Madison, TN 37115. The first round games of the tournament will be played at the higher seeds home gym once seeding has been determined. The conference will be paying for the cost of the referees and the gym rental. We will be charging a gate fee to help offset the cost of the tournament. Madison CoC will be hosting a concession stand there for those wanting a meal, snack or drink.
- The tournament schedule is based on 8 teams for 18U(HSV) boys, 6 teams for 16u(HSJ) boys, 7 teams for 14U(MSV) boys and 4 teams for 18U(HSV) girls.

14U/16U/18U Boys Tournament Overview

- After conference play, the highest seed will play the lowest etc.
- 14u boys - The #1 seed will get a bye in the first round
- 16u Boys - The #1 and #2 seeds will get a bye in the first round
- The first round of all three levels will be played at your own gyms. The home team will be the highest seed and will have the option of playing at their gym. If needed, you can flip the location. These games will have to be scheduled and played ASAP when we realize the seeding. So every night and time of day must be available to get them in as we need to make plans for semi-final rounds.
- The losers of the first round games will be done for the tournament
- The winners of the first round will play each other in the semi-final games on Friday

18U Girls Tournament Overview

- With only 4 teams, they will go straight to the semi-final games on Friday
- After conference play, the highest seed will play the lowest, etc
- The losers will play each other in a consolation game Saturday
- The winners will play each other in the Championship game on Saturday

Tie Breaker Rules

Since there is a probability for ties, the tie breakers will be as follows:

- 1st Tie Breaker - Head to Head record
- 2nd Tie Breaker - Largest point differential for both games played(points scored minus points allowed)

Post MHAC Conference Leadership Meeting

- We will be setting a date and time to have our post season/tournament meeting on Zoom

***NOTE**

- Coaches, we will really need all teams ready to go immediately after the game previous is done to keep things on time. The last thing we need is to be hours behind after a long day. So be prepared for possible adjustments to them between quarters, halftime, and between games. After the game please leave to the locker room in a timely manner so we can start the next one. Teams can warmup at the halftime of the previous game. We would hope that all teams and families would try to stay throughout the tournament from start to finish to cheer on everyone that is on the court. Please try to refrain from leaving after your last game, whenever that is, and packing up and going home.

Bookkeeper and Clock keeper

- The home team of each game will be responsible for the official scorebook
- I will be running the clock most games. Our contact of the church will be running the clock during the champions games

Home and Away Teams

- The team listed on the left of each game will be designated the away team.
- The team listed on the right will be designated the home team.
- The highest seed of each game will be the home team
- Make sure you bring both sets of uniforms to cover all eventualities.

Senior Recognition

- We will be recognizing the seniors when we announce the starters of the 18u semi-final game. They can meet at mid-court for a quick pic. Due to the nature of this season and the adjusting of our tournament, there is a high possibility that a lot of seniors that lose in the first round will not be there on Friday for recognition. We will announce seniors from the teams that didn't qualify for the semi-finals before the first 18u boys and girls matchup.

Conference and Tournament Awards

- Conference awards will be given after both semi-final games are played
- Tournament awards will be given after each championship game

- If we are ready for the next game at any time and both coaches agree, we will start ahead of schedule to keep from running over at other times. So please try to be at the game before yours for warmup at their halftime and to be ready in case we are ahead. Coaches, try not to call frivolous timeouts to stop the clock when a game is out of reach. Please everyone be flexible as we go through a challenging season.
