Post MHAC Conference Leadership Meeting

- We will be setting a date and time to have our post season/tournament meeting on Zoom

***NOTE**

- Coaches, we will really need all teams ready to go immediately after the game previous is done to keep things on time. The last thing we need is to be hours behind after a long day. So be prepared for possible adjustments to them between quarters, halftime, and between games. After the game please leave to the locker room in a timely manner so we can start the next one. Teams can warmup at the halftime of the previous game. We would hope that all teams and families would try to stay throughout the tournament from start to finish to cheer on everyone that is on the court. Please try to refrain from leaving after your last game, whenever that is, and packing up and going home.

Bookkeeper and Clock keeper

- The home team of each game will be responsible for the official scoreboard
- I will be running the clock most games. Our contact of the church will be running the clock during the champions games. If anyone would want to step in to give me a break just let me know each day.

Home and Away Teams

- The team listed on the left of each game will be designated the away team.
- The team listed on the right will be designated the home team.
- The highest seed of each game will be the home team
- Make sure you bring both sets of uniforms to cover all eventualities.

Senior Recognition

- We will be recognizing the boys seniors when we announce the starters of the first 18u semi-final game on Thursday. If you play in one of the later games, I would ask that you try to make it in time for recognition. They will meet at mid-court for a quick pic. We will announce the seniors of the 18u Girls before the first game on Friday. We will meet at mid court for a quick pic.

Conference and Tournament Awards

- Conference awards will be given after both semi-final games are played on Friday
- Tournament awards will be given after each championship game on Saturday

- If we are ready for the next game at any time and both coaches agree, we will start ahead of schedule to keep from running over at other times. So please try to be at the game before yours for warmup at their halftime and to be ready in case we are ahead. Coaches, try not to call frivolous timeouts to stop the clock when a game is out of reach. Please everyone be flexible as we go through a challenging season.
